PROFILE

Recent B.Com Computer Applications graduate with strong technical skills in frontend development, proficient in HTML, CSS, JavaScript, and React.js. Seeking to build a growth-oriented career by applying my skills, continuously learning, and contributing to success through collaboration and teamwork.

INTERNSHIP

07/2024 – 10/2024	**Frontend Development,** *Kevell Guru*	Madurai

- I have completed a front-end development internship focused on building websites using HTML5, CSS3, JavaScript, Bootstrap5 & React.js.
- During this internship, I successfully finished five main projects, along with three mini projects and four tasks.
- I am dedicated to exploring innovative technologies to enhance my skills and make meaningful contributions.

TECHNICAL SKILLS

- **Web Technologies**: HTML, CSS, Bootstrap, Tailwindcss, React.js
- **Programming Languages**: Javascript, SQL
- **Operating System**: Mac Os, Windows 11
- **Others**: Git, Github

MINI PROJECTS

10/2024 **Login Page [React.js]** 🔗
- Developed a login page using React.js, utilizing Hooks to manage authentication state, handle user details, facilitate login and logout functionality, and provide real-time feedback on login status and errors.

10/2024 **Form Validation [React.js]** 🔗
- Developed a form using React.js, utilizing React Fragments and refs to display alerts for empty fields and validate username and password character requirements.

10/2024 **Add Goal [React.js]** 🔗
- Developed a goal management application using React components, allowing users to add, edit, and delete goals, with a clean and intuitive design utilizing CSS for styling and enhanced user experience.

09/2024 **Pixel-Art [Javascript]** 🔗
- Developed a pixel art editor with HTML, CSS, and JavaScript, enabling users to create pixel art through a customizable grid, color selection, and undo/redo functionality, supporting both mouse and touch input.

09/2024 **Text Editor [Javascript]** 🔗
- Developed a functional text editor using HTML, CSS, and JavaScript, featuring font customization, undo/redo, file-saving capabilities all designed with a clean interface to enhance user experience

09/2024 **To-Do List [Javascript]** 🔗
- Developed a simple to-do list webpage using HTML, CSS, JavaScript featuring task addition, deletion, completion, input validation, and persistent data storage through local storage, all designed to be user-friendly.

07/2024 **Template Task [HTML, CSS]** 🔗
- Developed a simple webpage using HTML and CSS, featuring a user-friendly design with seven sections on a single page.

PROJECTS

10/2024	**Restaurant Website,** *Kevell Guru* 🔗
	• Developed a responsive restaurant website using HTML, CSS and React.js
	• Implemented an 'Add to Cart' functionality in the restaurant website, allowing users to easily add menu items to their cart with real-time quantity adjustments.
	• Users can remove items from the cart, and the cart's total is automatically updated.
	• The feature includes a pop-up confirmation that appears upon adding items, enhancing user interaction and overall shopping experience.
09/2024 – 10/2024	**ExpenseItem,** *Kevell Guru* 🔗
	• Developed a website using React.js where users can input expense details (amount, category, date) with real-time updates.
	• Utilizes useState for state management and props for data sharing.
	• Renders a list of expense items and includes a bar chart for visualizing spending patterns.
08/2024 – 09/2024	**Parlour Website,** *kevell Guru* 🔗
	• Created a clean, responsive website for a beauty parlour using HTML, CSS, and Bootstrap.
	• The site includes essential sections like Services, Pricing, Appointments, and Contact.
	• Focused on providing an elegant, user-friendly design with smooth navigation and mobile responsiveness to ensure a consistent experience across all platforms.
08/2024	**Casterly Rock,** *Kevell Guru* 🔗
	• Developed a responsive multi-page hotel website using HTML, CSS, and Bootstrap.
	• The site features sections for Home, Contact, Residence, Rooms & Suites, Restaurant & Bar, and Spa & Gym.
	• Designed a user-friendly interface with intuitive navigation, ensuring mobile compatibility and a seamless user experience across devices.
07/2024	**Modern Portfolio,** *Kevell Guru* 🔗
	• Developed a responsive portfolio website with a clean layout to display projects and skills.
	• Features include smooth navigation, a project gallery, and mobile compatibility, demonstrating fundamental front-end development skills.

EDUCATION

05/2021 – 04/2024	**B.Com (Computer Applications),** *Mannar Thirumalai Naicker College* Percentage: **70%**	Madurai
05/2020 – 04/2021	**HSC,** *Government Higher Secondary School Thiruparankundram* Percentage: **79%**	Madurai
05/2018 – 04/2019	**SSLC,** *Government High School Nilaiyur* Percentage: **65%**	Madurai

CERTIFICATIONS
